

Statement of Commitment

We, the staff at Acorn to Oak Pre-School guarantee to provide a warm, stimulating, safe, loving and secure environment in which all children entrusted in to our care will be treated equally and with total respect.

Fully endorsing the ethos of “Children’s Human Rights” we are committed to providing an environment in which children’s emotional, physical, social, intellectual, spiritual needs and expectations are met without reservation.

Further to the above by providing an holistic approach, coupled with listening carefully to the parent / carer, guardians, other childcare professional & Dr’s.

We will provide the resources, opportunities and create the right conditions and support to enable all the children to reach their fullest development potential.
